Did you know:

- the Colorado Springs Children's Chorale has represented Colorado Springs around the world in Europe, Japan, Australia, New Zealand, Great Britain, and South Africa - bringing home first place awards from three prestigious international choral competitions.
- the Children's Chorale touches the lives of hundreds of Colorado Springs seniors through free concerts at senior communities & care centers each year.
- the Children's Chorale goes way beyond just teaching children to sing. We teach to the development of the whole performer through drama, choreography and voice, as well as give them them opportunities to develop into confident leaders and positive role models for their peers.
